One agency partner shared, "I took a paper pack to a single mom with eight children. She was delighted to receive it as paper supplies are a surprisingly large expense for her. She reported being especially appreciative because the father of two of her children had recently changed jobs and she was still waiting for child support to catch up which had left her with a gap in her income. She reported feeling much less worried with some extra paper supplies and could focus on putting the resulting extra money aside for emergencies and possibly some Christmas surprises."

3 wrapped packages of toilet paper with 4 double rolls each (unable to receive 12 rolls in one pack)

2 rolls paper towels (good quality)

2 facial tissue (large rectangle boxes)

Place all items in a tall-sized kitchen trash bag. Label the trash bag "Missouri Paper Products Pack."

One of our partners has a program called Food for Thought. This program supplies backpacks full of food to middle schoolers who receive breakfast and lunch during the week, but weekends they go without food. Here is what they had to share, "We have one young man whose family is currently homeless and who regularly expresses his gratitude to us for this program. Additionally, one young lady who consistently takes home a jar of peanut butter each week – not because she eats it – but because she knows her father and sister depend on it for packing their lunches for work each day."

3 different cans of vegetables

3 different cans of fruit

3 cans chicken

3 cans tuna

1 can pasta sauce

1 pound pasta

3 pkgs. macaroni & cheese

1 jar peanut butter

Place items in a sturdy box (Girl Scout Thin Mint boxes are ideal), tape and label "Missouri Family Food Box." Please no more than 2 packs per box due to weight.
